

Reliance Foundation Scholarships

Dear Students,

As announced last week, **Reliance Foundation Scholarships** are now open for applications.

During the 2021-22 academic cycle, the Reliance Foundation Scholarships will support the most exceptional first-year undergraduate and first-year postgraduate students in the fields of Artificial Intelligence, Computer Sciences, Mathematics and Computing, and Electrical and/or Electronics Engineering through their studies.

Please find a flyer attached that goes through the application and selection process:

- 1) To start your application, you will need to fill the online Eligibility Questionnaire in our website. If you fulfil the eligibility criteria, you will be sent an email invitation with log-in information to apply through our application portal.
- 2) Application components include:
 - Personal, Academic and Extra-curricular details
 - Two Letters of Reference: One that attests to your academic capabilities and one that attests to your character and leadership traits
 - Two Essays: Personal Statement and Statement of Purpose
 - Supporting Documents
- 3) Applications will be reviewed by an expert panel of industry experts, academicians, and leaders in the field, and shortlisted candidates will be invited to attend a virtual interview.
- 4) Selection of Scholars will be announced in [June 2022](#)

As a reminder, **applications close on the 14th of February 2022.**
