

An Appeal

(to all Faculty members, Officers and Staff members of IEST, Shibpur)

Dear All

The COVID-19 pandemic has put the country in a distressing situation. The country did not witness an outbreak of any disease of such a magnitude over the past several decades.

I, therefore, request each one of you to come forward and help the people in distress by donating one day's salary. I firmly believe that this is the minimum thing one should do as a responsible citizen of the country and an employee of this great Institution, which has served the country for more than one and a half centuries.

The Ministry of Human Resource Development, Govt. of India, in its appeal (No. A-44011/11/2020-E-IV), has requested to donate the entire sum of money so collected by the Institute to PM CARES Fund.

I am sure none of our faculty and non-faculty members will like to miss this opportunity to serve humanity.

Prof. Parthasarathi Chakrabarti
