Dear Prof. Parthasarathi Chakrabarti,

The Prime Minister's Research Fellowship (PMRF) scheme is aimed at attracting the talent pool of the country to doctoral (Ph.D.) programmes

of Indian Institute of Science (IISc), Indian Institutes of Science Education & Research (IISERs), Indian Institutes of Technology

(IITs) and Central Universities (which are among the top 100 National Institutional Ranking Framework, NIRF ranked universities) for carrying

out research in cutting edge science and technology domains, with focus on national priorities.

Applicants who fulfill the eligibility criteria, and are finally selected through a selection process, will be offered admission to Ph.D.

programme in one of IISc/IISERs/IITs and Central Universities (which are

among the top 100 National Institutional Ranking Framework, NIRF ranked

universities) with a fellowship of Rs.70,000/- per month for the first two years, Rs.75,000/- per month for the 3rd year, and Rs.80,000/- per month in the 4th and 5th year. Apart from this, a research grant of Rs.2.00 lakh per year will be provided to each of the Fellows for a period of 5 years to cover their academic contingency expenses and for foreign/national travel expenses.

I am happy to share with you that the portal is live for accepting applications

for PMRF December 2019 round of PhD admissions. The last date for submission of applications by candidates is 11:30 pm, 21 October, 2019.

For more details, please visit <https://dec2019.pmrfin/>

All HoD's
for wide circulation.

Hoping to see a good number of applications from students. Note that one could defer PhD admission up to one year to complete previous degrees.

Best Regards
