1. IMPORTANT INFORMATION

Applications are invited from Indian nationals in the prescribed form for admission to the 2-Year full-time MBA Post Graduate (PG) Program in Management Sciences for the academic session 2024 – 2026 in the School of Management Sciences (SOMS), under IEST, Shibpur. Applicants are required to apply online at www.iests.ac.in

The candidates are advised to read each and every instruction given in this Information Brochure very carefully before applying online.

- **Application fee is Rs.1500/- for UR/OBC(NCL)/EWS.**
- A candidate has to apply through an online application form.
- The mere application does not guarantee a call for the interview.
- The selection process is a two-tier one and is elaborated in Section 6 of this document. Shortlisted applicants would be appearing for the interview.
- **Reservation for SC/ST/OBC(NCL)/EWS/PwD Categories:** The Institute will follow the reservation policies of the MHRD, Govt. of India. Certificate for SC/ST/ OBC(NCL)/EWS/PwD will be as per Govt. of India Rules. For OBC (NCL) category, the format for certificates must be as per DoPTOM No.36036/2/2013-Estt (Res) dated 30/05/2014 and for EWS category, the format for certificates must be as per DoPTOM No.36039/1/2019-Estt (Res) dated 31.01.2019. OBC (NCL)/EWS certificate issued on after April 1, 2023 shall be accepted during online document verification. However, admission offered, if any, shall be provisional and subject to submission of OBC (NCL)/EWS certificate issued on or after April 1, 2024 at the time of physical reporting in the Institute.
- Candidates who are selected for appearing in the interview, have to produce all original mark sheets and certificates including those for the qualifying degree as mentioned in Section 6 on the date of the interview, failing which they will not be allowed to appear for the interview and their candidature is liable to be nullified.
- SOMS reserves the right to restrict the number of candidates to be called for the interview suitably judging the merit of the applicants.
- All candidates who are eligible for admission but whose results are yet to be declared, shall be allowed for provisional admission, if selected, on production of Course Completion Certificate from appropriate authorities. Similarly all eligible candidates who are migrating from other University/Institute shall be allowed for provisional admission, if migration certificate or no objection certificate from the University/Institute last attended cannot be submitted at the time of admission. They shall be required to submit their results of the qualifying degree examinations and migration certificate (as applicable) by 30.09.2024 and failing which their admission shall stand cancelled.
- The admission shall be purely provisional subject to the confirmation that they satisfy the prescribed eligibility conditions.
- Students shall be governed by PG ordinance/ regulations in vogue.
- If selected, all the original documents will be verified during physical reporting for admission. If anything found wrong, applicant's admission shall stand cancelled.

At the time of admission, each MBA candidate will be required to furnish an undertaking in a non-judicial stamp paper of Rs.10/- signed by a notary in a prescribed format (text will be made available on the website) that the MBA candidates will not indulge in any form of ragging. MBA students if found to be involved in the act of ragging will be strictly punished as per rules.

1.1 Instructions to Fill the Online Application Form:

- Fill up the ONLINE application form with appropriate data using the following link:
<https://forms.gle/WMSek8PrfjcDu59DA>
In the online application form the candidate has to write within 100 words why he/she wants to pursue MBA and why in IEST, Shibpur. Please note that the digital photograph and signature of the applicant have to be uploaded in image format.

- **Download a pdf copy of MBA admission form from the Institute website (www.iiests.ac.in) under MBAAdmission Section.** Fill up the form and upload a copy of the same while submitting the online application. The original copy of this application form has to be submitted if selected for admission.
- Payment of application fee has to be made in the under mentioned Institute's Bank account only and the scanned copy / pdf copy of the receipt must be uploaded while submitting online application.

Bank Name: UCO Bank Branch name:

BESU Branch MICR No.: 700028178

Account Type: Savings Account

Account Number: 23690110000489

Account Name: IEST SHIBPUR- STUDENTS FEE COLLECTION

IFSC Code: UCBA0002369

Please note that:

- **Candidates must fill/enter their CGPA or percentage of marks as issued by their institute/college/university. Candidate must not convert their CGPA into percentage and vice-versa.**
- **Online application submitted by the candidates shall be considered final and binding. Requests for making correction in the online application shall not be entertained.**

Please note that sending hard copy of the application form is not required.

1.2 Important Dates of admission for the session 2024-26

Sl. No.	Event	Date
1	Online application starts	Website Advertisement
2	Last date of submission of the online application with payment	31.07.2024
3	Publication of the list of eligible candidates for the interview (for screening) in the Institute website	05.08.2024
4	Personal Interview	08.08.2024
5	Publication of the final list of selected candidates for MBA admission on the Institute website	12.08.2024
6	Last date of submission of admission fee	15.08.2024
7	Date of Verification and admission	16.08.2024

Please visit the Institute website (www.iiests.ac.in) regularly for any updates about subsequent amendments in the advertisement and results. **No correspondence in any form in this regard will be made by the Institute with an individual candidate. Any changes in the dates will be indicated on the website.**

2. THE INSTITUTE

Indian Institute of Engineering Science and Technology, Shibpur (IEST, Shibpur) started its journey in 1856 as CALCUTTA CIVIL ENGINEERING COLLEGE and emerged as a premier engineering college in the pre-independence India. It was renamed as BENGAL ENGINEERING COLLEGE, SHIBPUR in 1920. The College received the status of a DEEMED UNIVERSITY in 1993 and was subsequently transformed to BENGAL ENGINEERING AND SCIENCE UNIVERSITY, SHIBPUR in 2004. The institute has been upgraded to an INSTITUTE OF NATIONAL IMPORTANCE by the amendment of NITSER Act of the Parliament in 2014 and renamed as INDIAN INSTITUTE OF ENGINEERING SCIENCE AND TECHNOLOGY, SHIBPUR. The Institute has fifteen departments of Engineering, Architecture, Science, and Humanities & Social Science disciplines. In addition, it has five Schools and two Centres dedicated for imparting education and conducting research in interdisciplinary fields.

2.1 Why IEST?

• Teaching

One of the remarkable strengths of the Institute is the pool of qualified and experienced faculty members. The faculties act as a mentor and/or facilitator for their students.

• Proximity to Metro City

IEST, Shibpur, is conveniently located and well connected to all important locations in Howrah and Kolkata, the twin cities situated on the two banks of the River Hooghly. It can be easily accessed by train from Shalimar, Howrah, Sealdah and Kolkata Railway Junctions, and is well connected with the NSC Bose International Airport, Kolkata. Recently Kolkata Metro Line 2, a rapid transit line travelling underneath the River Hooghly, has connected the twin cities.

• Research Collaboration with Neighboring National Institutes

State-of-the-art research facilities of the Institute are helpful to undertake fruitful and relevant research. Further, the proximity to Kolkata allows IEST to collaborate with different top-notch national level neighboring institutes of the metro like CGCRI, IACS, ISI and also with renowned old universities like University of Calcutta and Jadavpur University.

• NIRF and QS Rankings

In recognition of its core strength in 'Teaching, Learning & Resources', contribution towards 'Research and Professional Practices', inclusive 'Outreach Activity', and 'quality of graduates and post-graduates', the National Institutional Ranking Framework (NIRF), Ministry of Higher Education, Govt. of India has awarded the Institute with an All India ranking of 35 in Engineering and 10 in Architecture with an overall ranking of 66 in the year 2023. IEST Shibpur has also ranked 401 - 450 among the top 650 Universities in Asia category by the QS Asia Ranking 2023,

• Availability of Scholarships

This Institute of National Importance (INI) is a Central Govt. Funded Technical Institute (CFTI). This makes different types of funding in the form of scholarships available for the students.

• Rich Legacy of Illustrious Alumni

The century-old legacy of the Institute has produced illustrious alumni who made remarkable contributions in different fields across the globe. To mention a few, the alumni consists among others Shanti Swarup Bhatnagar laureates like Soumitra Banerjee and Amitabha Bhattacharyya; and Padma Bhusan and Padma Shree recipients like Buddhadev Das Gupta and Chaitanyomoy Ganguli. The strong alumni network takes keen interest in contributing towards the development of the Institute.

• Great Campus Life

Physically, IEST Shibpur campus was once a part of the neighboring AJC Bose Indian Botanic Garden. The flora and fauna of the campus makes it a great place to live. Different student clubs give the student a scope of a quality life outside academics in the campus. The proximity of the metro gives the students the scope of having occasional week-end hangouts at restaurants, multiplexes, theatres, shopping malls etc.

• Excellent library and e-resources

IESTS is having a well-equipped Central library within the campus.

3. ABOUT SCHOOL OF MANAGEMENT SCIENCES (SOMS)

School of Management Sciences (SOMS) is an integral part of IEST, Shibpur. SOMS started its journey as B.E. College School of Management Sciences (BECSOMS) in the year 1999 for management education with the commitment of meeting the need of professional managers in the Indian industries.

Over a period of more than 20 years, SOMS has emerged as an Institution of excellence in all facets of management education with highly specialized, sophisticated & 21st Century oriented courses and curriculum. The goal of SOMS is to achieve professional growth through holistic management education to shape future leaders for the corporate through intermingling of functional knowledge in Marketing, Finance, Operations and Human Resource Management.

The faculty members provide extensive mentorship to the students and facilitate the work in close association with various Government institutions and industry to embrace the latest changes in business and industry in the curriculum. Faculty members are continuously undertaking relevant research and developmental activities which help to improve the quality of teaching materials and cases relevant to various subjects in management.

SOMS has over the years maintained an excellent reputation with recruiters and the industry, in general achieving consistent good placement figures with in-house project development facilities for the students as per course curriculum. The School of Management Sciences offers MBA program and research program leading to Ph.D. in Management. SOMS has taken initiatives to augment new value-added integrated, certificate courses in management for the student community and executive programs for working professionals to meet the industry requirements.

4. MBA Program at SOMS

The MBA program is designed with a well-balanced theory-practical orientation. First two semesters are intended to impart foundation knowledge about the various facets of management field and the subsequent two semesters are to be used for imparting domain specific knowledge in the area in which the student opts to specialize. Different teaching methods like case studies, simulation games, group discussions, group seminars, scenario building and project work are used to make the teaching-learning process interesting. Students are encouraged to analyze, innovate and prepare themselves for professional challenges of the industry. Additionally, in order to enable the student to acumen the real-life management scenario, the course also requires a student to undertake an industrial training of minimum forty-five days in the area in which one specializes. SOMS regularly tries to upgrade its syllabus in accordance to the requirements of the industry. Regular industry visits, lectures and interactions with the industry stalwarts are arranged to help the students acquire the much required industry experience. The two years' program leading to the 'Master of Business Administration' comprises of the following areas:

1. General Management
2. Organization Theory and Practices along with HumanResources Management skills
3. Accounting and Financial Management
4. Operations Research and information Technology Management
5. Marketing Management
6. Professional values & Ethics and Practical Values
7. Innovation and Entrepreneurship Development
8. Operations Management and Supply Chain Management
9. Strategic Management
10. Managerial Economics
11. Other Emerging areas in Modern Business

4.1 Course Design

FULL COURSE CURRICULUM:

1st Semester

	OPERATIONS	
2.4	Technology Management	MS6227
3.4	Service Operations Management	MS6228
	PRACTICAL	
4.	Dissertation	MS6271
5.	Comprehensive Viva-Voce	MS6291

- 4 semesters consisting of theory papers and a project/viva-voce at the end of second semester onwards
- 15 core and 6 elective Management Papers
- 4 Specializations (Operations, HRM, Marketing, Finance,) with the option to choose different Major-minor combinations

4.2 Specializations

The four specializations currently offered in SOMS for MBA course are:

1. Marketing Management;
2. Financial Management;
3. Human Resource Management and
4. Operations Management;

With the option of different Major-Minor combinations.

4.3 Research Program at SOMS

To augment the on-going quest to promote excellence in management education, the School launched the Doctoral Program in Management.

It is designed to nurture high quality teachers, researchers and management professionals by providing an opportunity for interdisciplinary education and research in management sciences.

This program focuses on research in general management as well as in the areas of specialization like Marketing and Branding, Finance and Accounting, Stock Market, Human Resource Management, Organizational Behaviour, Strategic Management, Development Economics, Operations and Supply Chain Management, Optimization Models in Management Sciences, Computational Business Intelligence etc.

4.4 Academic Excellence

Excellent curriculums are true foundations to a lasting academic success. However, curriculums geared by unique efforts yield strong academic fundamentals leading to improved performance of students; which is the driving belief here at SOMS.

Students of MBA Program keep in touch with the faculty members of SOMS and other distinguished personnel from the industry as well as from other renowned management institutions. They enjoy an effective student- teacher ratio in day-to-day academic interactions with adequate personal care.

School of Management Sciences provides an academic ambience and milieu conducive to the growth and development of the future Business Leaders. School of Management Sciences provides the following for the overall development of the aspirants in management education:

1. Industry requirements-based curriculum
2. Theoretical exposure along with practical experience
3. Innovative decision-making with state-of-the art information technology
4. Development of independent thinking with strong reasoning atmosphere encouraging Entrepreneurship and building industry and research-oriented career.
5. Air conditioned class rooms with adequate spaces.

Industry Visit of MBA students at C & W Workshop, Eastern Railways, Liluah, Howrah

5. Esteemed Organizations Considering Students for Internship & Final Recruitment

5.1 Placement of students with organizations in recent years

TCS	Shippingkaro
Berger Paints India Ltd	Accenture
Kotak Life	Epirock Mining
BYJU'S	Acxiom Consulting
TATA Tinsplate	Zycus
IIM, Calcutta	Tech Mahindra
Capgemini	Bandhan Bank
Infosys	SBI General Insurance
HDFC Bank	Tata Metalliks
Ernest & Young	221B Baker Street

5.2 Summer Internship with organizations in recent years

ONGC	Amazon
Coal India	RAMCO Cement
Hindustan Copper Ltd	HDFC Bank
West Bengal State Electricity Development Corporation Limited	Calcutta Management Association
Tagore Incubation Centre of IESTS	Pcs Global
Tata Steel	Drivers4me

5.3 Possible career options after successful completion of MBA program

Central Govt. (Ministries) and State Govt. (Departments) organisations	Automobile Companies
Central and State PSUs	Foreign Banks
Multinational Corporations (MNCs)	Foreign Companies in manufacturing and service sectors
Nationalised & Private Banks	Associations/Societies
Insurance Companies	Research in Indian/Foreign Institutes
Large and Medium Corporate Houses in manufacturing and service sectors	Teaching in Univeristies/Pvt. Institutes, Academic Associates in IIMs and etc.

6. ADMISSION TO MBA PROGRAM

The MBA program shall be opened to the candidates of any Nationality and candidates performing successfully in the selection process shall be eligible for admission to the MBA program of the Institute.

6.1 Minimum Qualification:

The candidates with the following qualifications shall be eligible to apply for the MBA Program:
A Bachelor's Degree in Engineering, Science, Humanities, Arts, Commerce, Business Administration with a minimum of 60% marks (CGPA = 6.5 on 10 point or equivalent) for UR/OBC (NCL)/EWS and 55% marks (CGPA = 6.0 on a 10-point scale) for SC/ST/PWD candidates with a valid MAT/CMAT/CAT/XAT/GMAT score.

Students appearing for their final year graduation examination (and fulfilling the eligibility conditions stated above) may also apply. However, if selected, they will be provisionally admitted and the admission will be cancelled if they fail to produce the result of their final examinations satisfying the eligibility criterion of the course on or before 30th September, 2024 (Subject to change)..

6.2 Seat Matrix

The sanctioned seats are:

UR	OBC(NCL)	SC	ST	EWS	Total
13 (PWD-02)	16 (PWD-01)	06	04	06	45

* Government of India reservation policies will be followed for SC/ST and the Persons with Disabilities (PwD) Candidates. In absence of any applicant from PwD category, the seat reserved for PwD category will be distributed back to the categories from which they were taken. [EWS- Economically Weaker Section]

* De-reservation policy would be followed as per the Post Graduate admission of students in different disciplines of the Institute.

6.3 Selection Process:

- The selection process for this year would be a two-tier process as mentioned below. Eligible (Section 6.1) applicants will be shortlisted based on their academic records. These shortlisted applicants would be further called for Personal Interview.
- The weights on the different components of the two-tier selection process are elaborated below. After the initial screening of eligible applicants, the following weights are allotted (shown in % within brackets) as mentioned below:
 1. Academic Performance (Starting from class 10th onwards) (50%)
 2. Performance in the Personal Interview (50%)
 3. Preference will be given to candidates having all throughout First Class

6.4 Fees and other details

Every student shall be required to pay the following fees at the time of joining. All Fees may be revised as per the decisions of the Institute authority. The candidates will be notified about such revisions through the Institute website.

Item	Amount in Indian Rupee
Registration & Admission Fee (Per Semester)	500.00
Students' Activity (Per Semester)	500.00
Infrastructure & Maintenance Fee (Per Semester)	2500.00
Examination Fee (Per Semester)	1000.00
Tuition Fee (Per Semester)	100,000.00
Total (per semester)	1,04,500.00
Institute Caution Money (One time and refundable)	3000.00
Total amount payable at the time of admission	107,500.00

Institute fees (Tuition fees and Examination fees etc.) are collected through an individual bank account in the name of the student (opened with UCO Bank, BESUS Branch). This is mandatory and bank account is to be opened by student within a month from the date of admission. A student is expected to keep sufficient funds in his/her bank account. The dues are notified from time to time and deducted automatically from the account of the student. Defaulters with pending dues are not allowed to pursue further academic activities in the Institute. The method of payment may change as decided by the higher authority.

7. CAMPUS & AMENITIES

The Institute has a beautiful green campus covering an area of about 49 hectares situated on the bank of the river Hooghly. It is located next to the AJC Bose Indian Botanical Garden and opposite to the Kolkata Port. The campus has a number of academic and administrative buildings, library, accommodations for staffs and students, guest house, auditorium, swimming pool, students' amenities, banks, school, hospitals and general services.

Main Academic and Acharya S N Bose Building

The four-storied Main Academic Building accommodates most of the engineering departments, Department of Human Resources Management, Office of the Dean (Academics) and Office of the Deputy Registrar (Academics). The eight-storied Acharya S N Bose Building accommodates science departments, architecture, and various centers and schools. SOCSAT is located inside a heritage building. SOMS, Offices of the Director, Deans, Registrar, and other administrative offices are also located in the eight-storied building .

7.1 Central Facilities

7.1.1 Library

The Institute has a separate library building as Ramanujam Central Library which is kept open from 9 AM to midnight. The library provides online search facilities (OPAC) of its database from any computer connected to the Internet and also from the computers in the library dedicated for the users. Currently, the library has more than 1.4 lakhs text and reference books, and 40,000 bound volumes of journals. It also has a huge collection of documents including patents, standards, technical reports and pamphlets. The library possesses a good collection of old and rare books and journals of the nineteenth century. The library is a member of the Indian National Digital Library in Engineering Science and Technology (INDEST) and UGC-INFONET Digital Library Consortium of Information and Library Network (INFLIBNET) Centre and provides online access to full text of journals including American Society of Civil Engineers (ASCE), American Society of Mechanical Engineers (ASME), Economic and Political Weekly, IEEE /IIEE Electronic Library (IEL Online), ISID, JCCC@INFLIBNET, JSTOR, Science Direct, Springer Link and many others. It subscribes a large volume of e-books. The library also has different software which helps the students to write papers and reports in correct English with the plagiarism checking.

7.1.2 Computer Centre

All departments, schools and centers of the Institute have computing facilities for their students. In addition, there is a Central Computer Centre which provides computing facilities for undergraduate and post-graduate courses and research works. The Computer Centre along with the departments, schools, centers, offices and hostels is connected to a campus wide fibre optic network. The entire campus including the hostels is Wi-Fi enabled.

7.1.3 Workshop

Workshop Building

The Workshop Complex has nine engineering workshops including Carpentry, Smithy, Welding and Painting, Fitting, Machining, Foundry and Pattern, Boiler, Electric, Automobile, and Project Model to offer workshop practice.

7.1.4 Health Service

The Institute has a Health Unit with Medical Officers and other supporting staff to serve the primary medical needs of the campus inmates. It provides 24 hours' ambulance service. The Unit has an ID Ward to effectively isolate students suffering from infectious diseases. However, for serious cases the patients are referred to suitable city hospital.

7.1.5 Hostel Accommodation

Hostel accommodation is not guaranteed. It may be provided as per norms of the institute, subject to availability. However, in case of non-availability of hostel accommodations in the institute, adequate PG accommodations are available on rental basis at reasonable rates outside the campus and nearby within walking distance.

7.2 Students Amenities

Office of the Dean of Students Welfare facilitates all students to use different facilities available at the campus. The students of this Institute are encouraged to participate in sports and games, various cultural activities like music, photography, dramatics, paintings, model making, creative writing, debating, as well as to explore innovation and incubation of business plans, etc. All students are encouraged to participate in games or some form of physical training. The students are advised to join the athletics Club and at least one of the societies in the Students' Activity Centre. The campus has the following amenities for the students:

- Centre for Creative Expressions with different hobby clubs
- R. N. Banerjee Student Recreation Centre
- Institute Hall: A Multipurpose Auditorium
- Gymnasium
- Oval and Lords - Two sports grounds
- Swimming Pool
- Alpona Banerjee Memorial Centre for Innovation
- Basketball court
- Student canteens /cafeteria as well as food kiosks
- Tagore Green Business Incubation Centre.
