Dear Colleagues

Tobacco use remains one of the single greatest preventable cause of Non-Communicable Diseases, causing the death of 13.5 lakh Indians annually.

2. As part of its commitment to tobacco control and to create a tobacco-free generation, the Ministry of Health and Family Welfare (MoHFW) is launching **Tobacco Free Youth Campaign 2.0 (TFYC 2.0)**, with the aim to educate and empower young people in India to resist or quit tobacco use. This also offers an opportunity to highlight the health and other risks associated with tobacco use, especially to the youth of India. The same is being planned for 60 days and will be launched by Hon'ble Union Minister of Health and Family Welfare, Hon'ble Union Minister of Education, Hon'ble Minister of State (Prataprao Jadhav), and Hon'ble Minister of State (Anupriya Patel). The date of the Campaign will be intimated shortly.

3. As part of India's Whole-of-Government Approach, MoHFW acknowledges the importance of strong partnerships between diverse ministries and public administrations. In view of the same, it is proposed to conduct an inter-ministerial briefing for the forthcoming campaign to inform all concerned ministries of the launch of the campaign as well as the activities planned throughout the 60-day campaign.

4. For the Tobacco Free Youth Campaign 2.0, you are requested to nominate a Nodal Officer not below the level of Joint Secretary and to furnish the name and contact number of the officer to Dr Poonam Meena, Deputy Secretary-Tobacco Control (poonam.22@gov.in; 9414049944). The date of the briefing will be intimated shortly.

I request your support and collaboration in making this initiative a resounding success and protecting future generations in India from the detrimental effects of tobacco use.
