Young Faculty Research Award 2021 Announcement

A. Application Eligibility Criteria

Alumni Cell, IEST, Shibpur is announcing the annual Young Faculty Research Award for the year 2021 patronized by IEST Alumni Association Washington Metro Area (IESTAA-WMA) and GAABESU Shibpur Foundation, USA. All regular faculty members of IEST, Shibpur meeting the following criteria are eligible to apply.

- The applicant is not older than 40 years on 31/12/2021.
- The applicant has not received this award earlier.
- The applicant has been a regular faculty member at IEST, Shibpur for at least 2 years full time service on 31/12/2021.
- The applicant has five or more publications in peer reviewed academic journals of international repute during the calendar years 2016, 2017, 2018, 2019, and 2020. Conference papers will not be counted towards meeting the qualifying criterion of having five or more publications, but may be considered in the overall evaluation at the discretion of the Selection Committee.

B. Number and size of awards:

There will be one award of US \$ 3000.00 (approximately, INR. 225, 000).

C. Selection for the Award

The selection will be primarily based on the publication of research papers in internationally reputed peer-reviewed journals in the applicant's area of specialization during the calendar years 2016, 2017, 2018, 2019 and 2020.

While an applicant must have at least five publications in peer reviewed academic journals of international repute during the calendar years 2016, 2017, 2018, 2019 and 2020 to be considered for this award, number of publications may not be the sole criteria for selection.

In deciding the winner, Selection Committee may, solely at its own discretion, factor in research in new areas and quality of innovation in addition to the number of research papers.

In addition, if multiple equally qualified candidates are found, the selection committee, at its sole discretion may split the award or give preference to younger candidates.

If the selection committee decides that none of the eligible applicants meets the high standard expected of YFRA winners, it may recommend that the award be skipped for this year.

Research may be based in a single department or be interdisciplinary and involve multiple departments.

Selection Committee: Selection will be done by a committee of distinguished IEST, Shibpur alumni and / or other distinguished academics having an interest in IEST, Shibpur.

Selection Criteria: Quality of the peer reviewed journal in which the applicant's research papers have been published, number of papers, and the originality / contribution of the published papers will be the primary selection criteria. However, the selection committee, based solely on its own discretion, may consider factors like emerging and important new fields of research.
