Thunderkick kompanija – tai eilinis švedų gamintojas, kurio specializacija – kazino žaidimai – ir kuris susijęs su šio verslo lyderiu – Net Entertainment kompanija. Thunderkick rinkoje pasirodė 2012 metais ir jau per pirmuosius 5 savo gyvavimo metus sugebėjo išgarsėti ir pelnyti autoritetą. Pagrindinė kompanijos Thunderkick specializacija – lošimo automatai, skirti kazino internete.

Iš pradžių Thunderkick komandą sudarė vos 8 žmonės. Pagrindiniu principu iškart tapo „Kokybė svarbiau už kiekybę“. Per pirmuosius porą metų komanda išaugo vos iki 9 žmonių ir buvo sukurti 8 azartiniai žaidimai.

Kol kas programinės įrangos teikėjo gamybos kryptis – lošimo automatai internete. Tai leidžia kūrėjui kurti bei realizuoti nepaprastus, unikalius produktus. Firmos portfolio sudaro puikūs kazino žaidimai, jų jau per 50. Nuo pat pradžių kompanija kūrė HTML5 automatus, kurie lengvai pritaikomi visiems įrenginiams ir naršyklėms.

Šiai švedų kompanijai pavyko savo produkcijoje panaudoti daug animacijos bei vizualinių efektų. Kad ir tas pats Fruit Warp žaidimų automatas, neturintis nei išmokėjimų linijų, nei būgnų. O vaisiai (simboliai) tiesiog atskrieja ekranu kažkur iš prarajos. Kaip ne keista, tokia naujovė labai patiko žaidėjų auditorijai.

Casino automatai dažniausiai labai linksmi, tai galima pamatyti jau iš pačios internetinės svetainės apipavidalinimo, kur išvysite besišypsančią avytę ir žvaigždutę. Kadangi visi kazino automatai sukurti po 2012 metų, tai jų RTP viršija 95%. Pats dosniausias automatas turi 98,6%, o tai jau vienas pačių aukščiausių rodiklių visame kazino internetu versle.

Thunderkick kompanijoje jau sukurti tikrai dėmesio verti kazino internetu skirti originalūs casino automatai, kurių jau virš 50. Kai kurie jų tapo hitais.

CasinoOnline.Lt portalo redakcijai labai patinka dar 2015 metais sukurtas žaidimų automatas Uncharted Seas. Šis automatas aktualus iki šių dienų, kadangi tikrai įdomus ir jo RTP 98,5%. Tai žaidimas, kuriame simbolių vaidmenį atlieka įvairios mitologinės būtybės ir aksešuarai.

Žemiau pateikiami žaidėjų nuomone geriausi Thunderkick lošimo automatai:

Viena iš Thunderkick žaidimų ypatybių yra puikios grafikos ir įdomių bonusų galimybių derinys. Thunderkick kazino automatai žaidėjams visada žada ir suteikia įdomių įvykių, laukiančių jūsų bet kuriuo žaidimo momentu. Kūrėjas neapsiriboja tik savo atradimais ir puikiai įterpia į savo produktus jau sukurtus elementus, kuriuos naudoja kiti azartiniai žaidimai.

Casino žaidimai savo didžiąja dauguma turi penkis būgnus, tačiau yra ir išimčių. Pavyzdžiui, automatas Fruit Warp būgnų apskritai neturi. Ekrane pasirodo vaisių simboliai, o žaidėjo užduotis — surinkti prizinę kombinaciją.

A testament to their quality is the fact their products are live on hundreds of sites. Nevertheless, Thunderkick is continuously looking for new ways to improve and is one of the more rapidly growing companies. In addition, they are licensed by both the UK Gambling Commission and the Malta Gaming Authority, allowing operators to add Thunderkick's games in numerous jurisdictions.

Currently, they have 50+ HTML5 titles under their belt, each of them infused with Thunderkick's wish to create slots that leave no one underwhelmed. With every title better than the previous one, it would be difficult to pick a favourite. In order to create flawless games, their team puts their soul into making sure all aspects of their games' design work together seamlessly.

Experts in the field of software development have come together one more time and the result is Thunderkick, a young new Stockholm-based company that has amazed players worldwide with an outstanding quality of their products.

In this review, we will take a look at the quality and quantity of the various games that the company produces plus point out the best Thunderkick casino available in the UK, with PlayOJO as our top-rated casino operator.

Online thunderkick casino

We have listed the most popular UK casinos to offer Thunderkick slots and even though their portfolio is not huge, the games stand out in the crowd through unique design and a touch of humour. This developing company is licensed in both Malta and the UK and that adds another layer of comfort and peace of mind for a player who's main concern is safety.

Our analysis aims to uncover the most reliable online casinos powered by Thunderkick on the market in order to give you the best entertainment options out there, so let's take a closer look at the gorgeous Scandinavian design that makes these games great!

First of all, the software developer – as a company – needs to be licensed and audited and this kind of information you will find directly on the developer's site. Next thing would be having a certain security standard when it comes to data encryption and usually, all providers do, especially since they close partnerships with the most reputable Thunderkick casinos in the UK, for example with one of our top picks, Casimba.

We are proud to say that we have found no controversy reported about Thunderkick and even more than that a launch that has to do with one of their new creations is long – awaited for.

Of course, the company is licensed by the UK Gambling Commission. It also can operate in the Isle of Man, Gibraltar, Latvia, Estonia, Portugal, Italy, Spain, Denmark, Malta and Lithuania. Thunderkick made sure that each of their games is audited individually as well and if you feel a bit curious you may read the certificate straight on their site.

In order to effectively evaluate a slot, a couple of things must be taken into consideration. One of the main criteria is the RTP – short for random number generator. It represents a percentage used by the developer to express the profitability of a game over medium to long gaming sessions.

Online thunderkick casino

In effect, the bigger the return to the player, the smaller the house edge. When it comes to fairness, we are looking after a seal called RNG, which stands for Random Number Generator. This is a testament to the randomness of the Thunderkick games and their winnings.

It's the result of millions of test rounds performed by some of the biggest independent auditors like eCOGRA, iTech Labs and GLI. We are fully aware of the fact that players need a safe gambling environment and the best thing we can do is recommend you the most reputable operators out there.

Online thunderkick casino

In a Thunderkick casino, you will encounter both high RTP games with an RNG seal displayed in a visible place and a secure environment.

For a young company that celebrated its 6th year of activity, Thunderkick games can pride themselves of having licenses in some of the biggest markets out there. It is internationally recognised in the United Kingdom, Malta – Isle of Man, Gibraltar and 8 other countries and that includes certifications for each and every game in their portfolio.

You will find the RNG certificate on their website and a very interesting compliance report that proves that the slots were tested in over 3 million rounds. Needless to say, all the test were passed. Under the license held by the United Kingdom Gambling Commission, you will notice the fact the RTP of the games is constantly monitored and that just skyrockets the trust score of Thunderkick casino software through the roof!

Thunderkick is an independent software supplier that took the market by storm with creative design and a very aggressive growth strategy. Its team consists of experts with many years in the field and that enables them to develop games and platforms exclusively in-house.

Thunderkick online casino

So far, there are 41 Thunderkick casino games with unique mechanics and incredible features which just proves to show that sometimes less is more. They have multiple certifications and they are holders of an MGA B2B license and a license from the United Kingdom Gambling Commission. They interact quite a lot with fans and potential customers via events like B60 or Ice.

The company value is geared towards customer satisfaction and as I'm sure you've noticed by now all Thunderkick slots are perfectly optimised for every mobile platform. Through their partnerships with the best Thunderkick casinos, the company also raises awareness toward responsible gambling.

Thunderkick online casinos have great variety not only in the types of games that are available, but also in the payment methods that are available. Casinos offer lots of different services in order to appeal to the biggest possible market of players, so you can afford to be picky. No matter whether you prefer eWallets, debit cards, cryptocurrencies, mobile payments or prepaid cards, you'll be able to choose a site with the combination of the games and payment features. There is also a growing number of CashtoCode casino sites for players to choose from.

When it comes to the top Thunderkick games, choosing a favourite is extremely hard, simply because not two of them are ever the same. The company has so far developed 41 slots, but one good look at any one of them and you will understand what makes good Thunderkick casino sites.

Thunderkick online casino

We are talking about unique mechanics and high Return to Player percentages, paired with incredible graphics and payment sequences. This software developer released games that really deserve their honorable place at some of the most famous UK sites for playing classic and video slots online.

Are you a fan of cartoony themed slots or would you prefer HD graphics? If you thought Starburst or Incinerator were looking good, I can't wait for you to feast your eyes on the new standard of game design!

All said and done but let us give you a few examples of some of the best Thunderkick slots and why we consider them to be truly unique. You have a fun slot called Rocket Fellas and just as the name suggests, you're all about rockets and shiny rocks – your battle stage is a mine. Scatters will trigger bonus games and the Wild gets sticky just in time for some free spins.

Bork the Berzerker will unleash his famous hack'n'slash that will make it your favourite character ever, especially since the slots unique functions are usually followed by a cascade of prizes. Roasty McFry and the Flame Busters is the name of our 3rd favourite, simply because it reminds us of all the retro games we had while we were young. You can find it at the best Thunderkick casino, which is listed among the options below.

Thunderkick online casino

Make no mistake, behind the cartoon motif you will uncover 243 pay lines. Fire drill, coin ignition and the scatter symbol that activates free spins are just some of the amazing characteristics. So, go ahead and try out some of the amazing games at one of the best online casino slots sites. There are new Thunderkick slots coming out on a regular frequency, to keep you on your toes.

At this stage, the company has not developed any roulette, so if you are looking for Thunderkick roulette then you're out of luck. Instead, we recommend you check out the best roulette sites. You will find plenty of these games at your favourite Thunderkick casino, they just will be from another software company such as Microgaming.

As the company is specialised in creating fantastic slot titles, it probably won't surprise you that there aren't any Thunderkick blackjack games in existence. We don't anticipate this to change any time soon, so if you're a fan of the classic table game, we recommend you check out the top blackjack casinos.

The same goes for Thunderkick live dealer games, as to the RNG versions of the table games – there are none. Live casino games are a very different wheelhouse to the slot-specialty that Thunderkick professes. If you're a fan of the real dealer titles, you can find out more about in this review.

Online thunderkick casino

Once again, there are no land-based versions of Thunderkick slots to be found. This is one area where the company could conceivably venture into, should it make a licencing partnership with a company like Novomatic, which builds physical machines.

Well, we have reached the end of our review and one thing is for sure: in reviewing both the slots and the Thunderkick casinos we have witnessed some incredible products. The mix of exciting features, perfectly balanced game mechanics and high RTP hit home with all of us and knowing that each game is individually certified certainly makes matters even better. Our number one Thunderkick casino is PlayOJO.
