So what makes us different? There are some great casino guides out there and we aim to be among them. UK-OnlineCasino.org.uk was started by a group of friends and colleagues who love to get together and play poker and in their free time, log on and play online casino games and slots. We're also long-time professionals in the iGaming industry, which we believe gives us that 'edge' to know what casinos you can trust, what to look out for and which ones to avoid.

New casinos in the UK generally offer over 1,500 games and slots, bigger welcome bonuses (often no wagering bonuses), bountiful loyalty schemes and a fresh design and theme. There are a lot of pros to joining a new casino, usually outweighing older ones, so as long as the new casino is safe, like the ones on this website - they can be a better option.

24/7 live chat support and short queue times are all things that should come as standard practice at online casinos. We always recognise the quality of the service, as well as the convenience. Friendly and helpful support agents go a long way, too, so an all-around competent customer support department must be at casinos 2022. Any casino we list has been thoroughly tested in this department. A casino experience isn't just about playing games and slots online; it's more than that. All the areas such as the ones above must work otherwise, your casino experience will be disjointed and not as good as it could be.

Even though most of the best slots are available at most casino operators, being savvy on where to play them will help you in the long run. Weigh up the casinos' slots bonuses, free spins bonuses, its progressive jackpot selection and so on. And remember the age-old saying: quality over quantity. Personally, we'd rather play at a casino that has fewer slots, but only decent slots, than a casino that, although may offer thousands, just isn't as good quality or engaging.

Online casinos are naturally concerned about important social things like responsible gambling, anti-money laundering and anti-underage gambling. They each want to offer a safe and secure casino experience, so to ensure this, they'll need to make sure they know a bit more about you before you get started. This process is called verifying your account and the KYC ("know your customer") procedure. It's not too involved, but the process is as follows:

The UK Gambling Commission conducted a survey on underage gambling and found that 1.9% of 11-16-year-olds are problem gamblers.
