The VIP program is arguably the best promotion offered on the Spinia Casino. This great bonus provided players with an opportunity to earn some points as they stake on the online casino. These points increase when you play more or take bigger risks, raising your VIP ranking, and therefore, boosting your chances of winning massive bonuses.

After you make your first deposit on the platform you are automatically registered in the VIP program. This means that you can worry less about a tedious registration process or strict membership criteria. Just sign up, make a deposit, and stand the chance to win great prizes.

## **Casino spinia**

Their logic behind earning on this platform is simple and transparent. You start from the lowest level and find your way up. Each Rookie is awarded a specific number of points every time they play one of the games available on the platform. Thus, you get to earn and win more when you play an average of eight games compared to someone who is playing just 2 or 3. It goes without saying that you also lose more when you play more. So, do well to stake wisely, and take calculated risks.

Estimated number of points accumulated on each winning, ascends your level, and take you one step further up on the platform. The different levels available on the platform are Beginner, Skilled, Lodger, etc. These points allow you to win some cool prizes and huge bonuses. They also put you in the running for the greatest prize of all...the nearly 4 million EUR (€) jackpot.
