

Corrigendum Notice (YFRA-2023)

This is for information for all concerned that partial modification in the Announcement of Young Faculty Research Award 2023 (YFRA-2023) vide No.: **IESTS/DeanIRAA/YFRA-2023 Dated October 08, 2024** published on October 08, 2024 in the Institute Website has been modified as follows:

On page 1, under B, Application Eligibility Criteria, Essential, the last sentence “The FIVE publications must have taken place during the period starting from January 1 to December 31, 2023” **is modified as** “The **FIVE** publications must have taken place during the period starting from **January 1, 2019 to December 31, 2023**.”

Accordingly, the last date of submission of the modified Application Form for YFRA-2023 is extended to **December 02, 2024**. Downloadable **modified Announcement (pdf)** and **modified Application Form (doc)** files are also uploaded in the Faculty/Staff Notice section of the Institute Website. Those who have applied already may also apply once again, if they want to. In case of a second submission, the first application will not be considered for the award.
