

1st Alumni Convention, 2020

Indian Institute of Engineering Science and Technology, Shibpur, Howrah
[erstwhile B E College (estd. 1856)]

Saturday, February 1, 2020 | Lords Ground, IEST Shibpur

Dear Alumnus/Alumna,

On behalf of your alma mater,
I cordially invite you to attend
the First Alumni Convention
hosted by the Alumni Cell of
the Institute.

Do not miss this opportunity to
walk down your memory lane
and participate in brainstorming
business sessions to strengthen
your bonding with your alma
mater.

Wish you all a Happy and
Prosperous New Year 2020!!

Jai Hind!!

Parthasarathi Chakrabarti
Director, IEST, Shibpur

The Alumni Cell has been created to engage and further strengthen the interaction and involvement of the alumni for the betterment of the Institute. The Cell will act as the single point of contact for consideration of all alumni related proposals and actively promote participation of the alumni community through capacity building.

For the first time, the cell is organizing an Alumni convention, which will be held henceforth annually in the Institute campus. The Alumni convention is being organized to foster the collaboration between the alumni and the alma mater. The convention will provide a platform for effective and continual dialogue between the alumni and their alma mater for better placement and internship opportunities, promoting entrepreneurship and infrastructure development. This will facilitate the opportunity to reminisce the golden days along with ample scope for networking with various stakeholders of this esteemed Institute.
