Chairperson welcomed the members and invitees present. At the onset he explained the reason for which the Emergency Meeting has been called. In the 8th Emergency Meeting of the Senate held on 14th June 2019, it was resolved that the details of 'Failed' students should be brought before the Senate by the Dean (Academic) for final consideration at the earliest. The Dean (Academic) was also requested to put up a separate agenda note with sufficient details regarding the cases involving the students declared CNC.

The Chairman requested Dean(Academic) to explain the agenda before the members. After detailed discussion the following resolution were taken by the Senate.

Item EM9.1: To consider the list of failed students submitted by Dean (Academic) and to consider the proposal to allow them a chance to clear the backlog papers by appearing in a special supplementary examination to be conducted before the commencement of next academic session.

And

Item EM9.2: To consider the case involving 21 students declared CNC.

Resolution No. EM9.1 and EM9.2:

The Senate noted that there are 44 students who are declared 'Failed' and 21 students who are declared 'CNC' with details of the courses in which they have been unsuccessful. After much discussion, the Senate resolved that the students who have been declared as 'Failed' or 'CNC', may be allowed to appear all the backlog papers (Theoretical and Sessional) in a special supplementary examinations to be conducted on and from 9th July. Each day will have one

back log paper examination and it will continue till 22nd July 2019 and the result will be published on 26th July 2019. A notification in this regard may be published in the website.

The Senate expressed its concern about the situation that is leading to failure of the students, and also at difficulty that the parents of the 'Failed' and 'CNC' may face. Accordingly, the Senate resolved that there should be deep introspection for finding out the reasons of such performance of the students, and that the Institute should inform the guardians about the failure of students after every Semester. In this case, the guardians of 44 fail students and 21 'CNC' declared students should be informed about their ward's academic status.

There being no other agenda, the meeting ended with Vote of Thanks to the Chair.
