**Item EM.19.1:** To consider the issue of Re-opening of the Institute to the Final Year PG Students for completion of Thesis Work.

**Resolution EM.19.01:**

A proposal was placed by Dean (SW) for reopening the Institute for the final year PG students from the first week of April 2021. In this regard, the recommendations of two meetings were referred. For the opening of the Institute for PG students, it will be necessary to provide accommodation in the hostels for 167 number male and 60 number female students. The planning for providing hostel accommodation for these students following COVID-19 protocols was also presented by the Dean (SW).

The members discussed the issue in length. The members agreed in principle that from the academic point of view the entry of final semester postgraduate students in the departments/laboratories is necessary to complete their final thesis work. However, the members apprehended that due to the recent surge of COVID 19 it may not be a wise decision to allow the students from different parts of the country to enter the campus and stay in the hostels. It was therefore resolved that at this moment the final semester postgraduate students shall not be allowed to enter the campus to avoid health risks. The Senate shall take stock of the situation in the first week of May 2021.

**Item EM.19.2:** To consider the Supplementary Examination of previous 2<sup>nd</sup> /4<sup>th</sup> /6<sup>th</sup> Semester students.

**Resolution EM.19.02:**

The Dean (Academic) informed the house that following the onset of the second surge of COVID-19 cases he received several queries from the students regarding the scheduled Supplementary examinations for 2<sup>nd</sup>/4<sup>th</sup>/6<sup>th</sup> semester students during May 5-10, 2021 in the physical mode as was decided in the 18<sup>th</sup> Emergency Meeting of the Senate. The supplementary examination of the previous 8<sup>th</sup>-semester students was successfully held in November 2020 in offline mode. However, he also mentioned that after the publication of the revised Academic Calendar of AY 2020-21, a number of students have appealed that it would not be possible for them to attend the supplementary examination in offline mode, because of the prevailing COVID-19 situation in different parts of the country. On the other hand, arranging supplementary examinations is highly essential for the academic as well as placement aspects of these students.

The item was deliberated in detail. It was resolved that the supplementary examination of previous 2<sup>nd</sup> /4<sup>th</sup> /6<sup>th</sup>-semester students shall be held in online mode during 5<sup>th</sup> to 10<sup>th</sup> May 2021. The examination shall be held for 1 hour 30 minutes for each course with 20 minutes for uploading of answers. Full marks of the question paper shall be 50 or 70 for the examinees as per guidelines of the new ordinance or old regulation respectively. All protocols for conducting the end-semester examination shall be followed.

As there was no other Agenda the meeting was ended with a vote of thanks to the Chair.
