Item EM.21.1: To consider the request of the Head, Department of Mining Engineering to postpone the mid-term examination for the subject 'Mine system analysis and design' for the programme M.Tech in Mining Engineering.

Resolution EM.21.1:

It was resolved that the Mid-Term Examinations of the above subject "Mine System Analysis and Design (MN5103) to be held on November 11, 2021 has been rescheduled. However, the members expressed their serious concern that the Mid-term Examination of the subject could not be held as per the schedule. The Chairman, Senate emphasized that all Departments must make serious efforts to avoid similar situations in future and must take adequate care at the time of load distribution before a particular semester begins. It was further resolved that the Dean (FW)

would take necessary action for selection of temporary / visiting faculty member(s) for the department. The rescheduled date and time of the examination of the said subject shall be notified in due course of time and the Head, Mining Engineering shall do the needful in this regard. The Deputy Registrar (Academic) shall notify the decision of the Senate regarding rescheduling of the Mid-Term Examination of MN 5103 immediately.

There being no other item, the meeting ended with a Vote of Thanks to the Chair.
