At the outset, the Chairman welcomed the members and placed the agenda before the members. The members discussed in details about the incidents that occurred on 18.04.2018 as a part of the agitations by the students. The members also discussed thoroughly the grievances and the demands of the students as sent by the General Secretary of the Students' Senate by mail to the Registrar. The G.S of the Students' Senate was also asked to present his views. After thorough discussion the Senate has resolved the following:

1. The Senate strongly condemns the unruly behaviour of the students, particularly the way they locked the main gate of the Institute on 18.04.2018 in the name of agitation. The Senate urges the administration to take proper action as law of the land demands if such incidents occur in future.
2. The Senate denies the allegation made by the General Secretary of the Students' Senate that the students who have been debarred from sitting in the end semester examination due to unsatisfactory performance in the sessional papers because they have been evaluated unfairly on the basis of viva examination only. The Senate accepts the statement of the Head of the Department of Computer Science and Technology that they have been evaluated on totality of their performances and informs the General Secretary of the Students' Senate that their year lag has been effective fully as per existing regulations of the Institute.
3. The Senate endorsed the list of 43 students submitted by the Controller of Examinations (Acting) who are debarred from appearing in the end semester examination. In this regard this is to note that the students who have already passed the sessional subject/(s) and are able to show the approved documents of the carry forward of the passed papers, their names will be cancelled from the said list and accordingly they will be allowed to appear in the ensuing semester examinations.
4. The Senate endorsed the list of 64 students submitted by the Dean, Academic Affairs who have been allowed to appear in the semester examination except in the papers mentioned against their names for low attendance.
5. Regarding the list of 316 students submitted by the Dean, Academic Affairs who have not cleared their tuition fees, the Senate resolved to allow them to appear in the ensuing examination provided they clear their dues before publication of the results. The Senate also resolved to inform the guardians of those students about non payment of fees who will not be able to clear their dues before commencement of the examination.
6. Regarding ratification of the approval of the Director to allow the CNC students to appear in the examinations, the Senate resolved to place this agenda in the next meeting of the Senate.
7. Senate sympathetically discussed the issue of Mr. T. Gopinath, Research Scholar at length and opined that the Institute authority will discuss the issue with him explaining the limitation of the Institute.

Since there was no other matter for discussion, the meeting ended with vote of thanks to the chair.
