Online Education

1. Does all programs/courses were completed on time.		No	
2. Measures taken to complete the syllabus of courses and programs.		<p>Since late March 2020, when the once reverberating classrooms across the world went silent due to pandemic conditions, it became necessary to complete the 2019-2020 academic session by using modern technology. IEST continued with the online mode of teaching-learning in 2020-2021 academic session also. Instructions of theory as well as practical courses and project/thesis work were being disseminated through Goggle Meet, Google Classroom, and also using e-mail and different online facilities. Before the start of the academic session, all faculty members and undergraduate and postgraduate students were provided with individual G-Suite account. This helped record the classes and provide adequate storage space for keeping the video recording of the classes and other instructional materials. The video recording of the laboratory classes were taken and these were shared with the students during the online classes. The students of this Institute come from a wide spectrum of geographical locations across the country, ranging from urban and suburban areas to remote places where internet connectivity is not always upto the desired strength. Some students faced difficulty in receiving online instructions particularly when video conferencing was used. They could get the instructions later from the recorded video of the classes. The Institute also created an online Central Repository in the Institute web server to supplement the ongoing online teaching-learning process.</p> <p>The examinations of all theory subjects have been held in real time through on line mode using Google Meet and Google classroom without any major disturbance. The examinations of all practical courses, project thesis and viva-voce were conducted in online mode.</p> <p>The syllabus and examinations could be completed without any significant delay in all semesters except that of the First and Second semesters, at both undergraduate and postgraduate levels, where the admission process through JOSSA/CSAB/CCMN/CCMT got delayed.</p>	
3. The period of delay in completion of syllabus (in months).		1	
4. The period of delay in conducting exams (in months).		1
